BRIEF ABSTRACT OF LETTER.

Requests for reasons given that the jurisdiction in respect of Courtallam taluk may be transferred to the second Munsiff's court at Tenkasi.

NOTES AND ORDERS.

The people of Tiptur are agitating that the second Munsiff's court should be located at Tiptur. If this is given effect to, the people of Courtallam will have to go longer distances than at present. As long as the courts are located at Tenkasi only the people of certain portions of Courtallam will have a point considered to go

Gubbi might have no objection to the proposed transfer. The Chief Court may that the transfer of the Court to some other place is only a contingency perhaps a necessary consequence. No objections have been called for the proposed alterations. Submitted for orders.

The aim is to equalise the work of the two Courts as far as possible.

5/12/23

Please put up previous proposals about the jurisdiction proposed more than once - Certain reasons are assigned there. There are two files, I think, re. making 2nd Court permanent & giving it a separate territorial jurisdiction.

Is this which contains the details of the present distribution?

The object is to equalise the work as far as possible.

8/12/23 9/12

The only objection is that in case a Court is transferred to Tiptur, people of Gubbi will have a longer distance to go. Hence

of the second court will be somewhat heavier, and more tough too, as portions of Gubbi, Turvekere & Chikmagalur contribute cantonment land suits, declaratory suits & suits for various rights. The Chief Court, however, are of a different opinion, subject to orders.

Cag 4/12

As there is no immediate prospect of locating the Municipal Court elsewhere, the transfer of the Civil Courts seems desirable in view of the fact that the work in both the Courts will be more or less equalised.

The proposal may therefore be abandoned.

Jg. Dispute will arise when a Court is established at Tipton - Public people will certainly refuse to go to Tipton - his jurisdiction may be required to be ceased & his establishment & the Court be closed. The Chief Court may recommend it & be passed & subject to a year. As things stand at present the proposal of the Chief Court is all right & may be agreed. Dispute may be agreed. Please submit to the Dewan before issue.

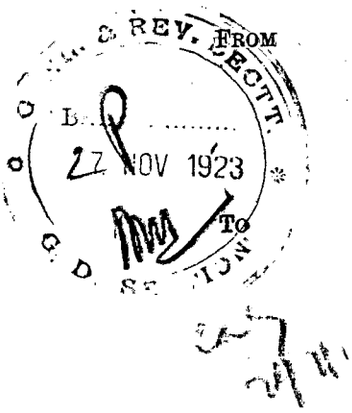
CHIEF COURT OF MYSORE

Telegraphic Address. "JUSTICE" 16899

Bangalore, dated 24th November 1923.

Rec. No. 449 23 M/Sm 2



A. SREENIVASARAGAVACHARI, ESQ., B.A., B.L.,
Registrar, Chief Court of Mysore.

B. NAGAPPA, ESQ., Bar-at-law,
Secretary to Government,
Local and Legislative Departments.
B a n g a l o r e.

SIR,

I am directed to advert to Government Notification No. P.500/Cts. 157-22-12 dated the 24th July 1923, under which the Second Munsiff's Court at Tumkur was given jurisdiction over the original and small cause suits arising within the taluks of Tiptur and Chiknayakanhalli and the sub-taluk of Turuvekere.

2. From the statements of work received from both the Munsiffs' Courts, it is found that the institutions in the First Munsiff's Court are greater than those in the Second Munsiff's Court. The figures for the past three years, as given in the accompanying statement, show that on an average 982 original suits and 1066 small causes per year are contributed by the Taluks within the jurisdiction of the First Munsiff's Court, while only 546 original suits and 399 small causes are contributed by the area within the jurisdiction of the Second Munsiff.

3. With a view to more nearly equalise the work of the two Courts, the Chief Court considers it desirable to transfer the taluk of Gubbi from the First to the Second Munsiff's Court. This arrangement would give approximately 697 original suits and 746 small causes on an average per year to the First Munsiff against 831 original suits and 719 small causes to the Second

Second Munsiff. Though the total number of original suits that would thus be allotted to the First Munsiff would be slightly smaller, the suits themselves, arising as they do, within the taluks of Kunigal and Tumkur would generally be of a contentious and complicated nature.

4. The arrangement suggested, it will be seen, also provides a compact contiguous territorial jurisdiction for the Second Munsiff's Court, -- a point of some importance should it become necessary to locate the Court at some place other than Tumkur. This, of course, is only a future contingency, to be decided upon after some years' experience, as was intimated at the last Session of the Representative Assembly, when the subject was mooted by some members.

5. Should the proposed re-adjustment of jurisdiction commend itself to Government, I am to request that the accompanying draft Notification may be issued so as to come into force from the 1st January, or failing this from the 1st July 1924. I am to add, that, in the meantime and with a view to give immediate relief to the First Munsiff, the District Judge, Bangalore, has been asked to transfer to the Second Munsiff's Court as many pending cases as possible (both original and small cause suits) of the Gubbi taluk in virtue of the general power vested in him under Section 24 of the Civil Procedure Code.

I have the honour to be,

S i r,

Your most obedient servant,

M Srinivasaiyangar

for Registrar.
